

Dear Hiring Manager,

I am writing to express my interest in opportunities within Trade Finance, Compliance, or AML/TBML operations at your organization. With over four years of experience at Axis Bank across trade remittance, Vostro funding, and TBML analysis, I bring a strong blend of operational expertise, regulatory compliance knowledge, and risk management skills.

In my role as Assistant Manager – RFRC (Trade Remittance) and subsequent assignments in Vostro Funding, ARC Operations, and TBML, I have handled end-to-end outward remittance and SWIFT transactions while ensuring strict adherence to FEMA and RBI guidelines. I have consistently demonstrated high accuracy, strong turnaround time, and attention to compliance controls, contributing directly to revenue performance and operational efficiency. My efforts were recognized with the Trade Champion Award for exceptional performance.

Most recently, I have been involved in Trade-Based Money Laundering (TBML) analysis, where I conducted transaction monitoring, identified red flags, performed risk assessments, and coordinated with compliance teams for investigation and closure of alerts. This experience has strengthened my understanding of financial crime risks and reinforced my commitment to maintaining robust compliance standards.

I hold a Post Graduate Diploma in Banking Services and certifications from IIBF and NISM, including FEMA and Depository Operations. I am confident that my hands-on experience in trade finance operations, AML/TBML, and regulatory compliance would allow me to add value to your team from day one.

I would welcome the opportunity to discuss how my skills and experience align with your organization's requirements. Thank you for your time and consideration.

Sincerely,

Manish Kumar
